The wife wanted the lettuces so much that her husband decided to steal them but he was caught by the witch. "Have the lettuces but soon you will have a baby and you must give me your child when she is born," she said.

When Rapunzel grew up the witch locked her away in a tower in the middle of a forest with one window right at the top. Whilst Rapunzel lived in the tower her golden hair grew longer and longer.

One day a handsome prince rode through the wood and found the tower. He heard singing and saw Rapunzel at the window. He watched the witch come to the tower and climb up Rapunzel's hair and decided to do the same.
