Six good fairies came to the party. They gave the princess presents of beauty, happiness, goodness, grace and wealth. Before the sixth fairy could give her present a wicked fairy burst into the party.

The fairy was so angry she had not been invited that she cursed the baby.
"On her sixteenth birthday, the princess will prick her finger on a needle from

The kind sixth fairy used her magic to soften the curse. "The princess will not die but she will fall into a deep sleep for a hundred years" she said.
