

Student Profile

Stephanie Higgins

Why did you choose to come to Newcastle?

I really like the fact that the campus is so close to the city centre. And everyone seemed so friendly at the Open Day!!

What do you enjoy most at Newcastle?

How sociable the city is!

What subjects did you study for A-Level?

Chemistry, Biology, Maths; Further Maths and Psychology A/S level

What are your favourite modules?

Number Theory and Cryptography
Statistical Modelling
Linear Algebra

What are you going to specialise in?

Nothing—I'm going to keep a good mix of Pure, Applied and Stats going.

What do you want to do after Uni?

Postgrad Certificate in Education, then Maths Teaching

And finally... What is your favourite Maths joke or chat-up line?

What do you call friends who love maths?? AlgeBROs...!
