

Student Profile

Esther Price

Why did you choose to come to Newcastle?

The course looked really interesting and I fell in love with the City!

What do you enjoy most at Newcastle?

The people that you meet whilst doing the course, and being a part of MathSoc. Also, Mensbar, the SU Bar!

What subjects did you study for A-Level?

Maths, Further Maths, Chemistry, Sociology

What are your favourite modules?

Chaos
Differential Equations

What are you going to specialise in?

Applied Mathematics

What do you want to do after Uni?

Maths Teaching

And finally ... What is your favourite Maths joke or chat-up line?

Why do they never serve beer at a Maths party? Because you can't drink and DERIVE!
