Lectures

- The booklet contains blanks which you fill in during the lectures: what is on the slides is also in the booklet.
- What is written on the board during lectures should be copied into the gaps in the booklet.

Problem Classes

- Work through examples either on the board or individually.
- New material may be introduced in these examples: the problem classes are a compulsory part of the module.

Tutorials

- Tutorials are to give help with the written assignments (and any other part of the module).
- Tutorials are optional.

Lectures
