

ACE2046: Quantitative Techniques Statistical Computing Information

Newcastle University

Semester 1, 2012-13

1 Times and locations of classes

Day	Time	Room	Class	Weeks
Wednesday	12-1	LT6	Lecture	1, 2, 3, 4, 5 (6)
Thursday	9-10	Lawn	Practical	1, 2, 3, 4, 5, 6
Friday	9-10	Lawn	Practical	1, 2, 3, 4, 5, 6

LT6 : King George VI Building, Lecture Theatre 6 (first floor).

Lawn : King George VI Building, Lawn Cluster PC Laboratory.

- The Friday practical is only held if it is needed.
- The lecture on the Wednesday of week 6 will be held only if it is needed.

2 Assessment

The assessment for this part of the module is by submission of reports on the practical work. There will be five pieces of practical work. The first is not assessed but you must complete it. Practicals 1-4 are given in weeks 1-4 respectively. Two weeks are allowed for Practical 5 and this report is given twice the weight of each of the others.

Week	Practical	Laboratory	Submission deadline	% of module mark
1	1	October 4-5		
2	2	October 11-12	2.00pm Thursday October 18th	10
3	3	October 18-19	2.00pm Thursday October 25th	10
4	4	October 25-26	2.00pm Thursday November 1st	10
5	5	November 1-2		
6	5	November 8-9	2.00pm Thursday November 15th	20

- Reports are to be submitted to the AFRD Office on the second floor in the Agriculture Building.
- Put your name and student number on your reports.
- Put my name (Dr Malcolm Farrow) and the 'School of Mathematics & Statistics' on your reports as well.

3 Staff

The lecturer on this part of the module this year will be:

Dr. M. Farrow
malcolm.farrow@newcastle.ac.uk
Herschel Building 3.12

Office Hours

I have allocated "Office Hours" when I will be available (as far as possible) in my room for consultation by ACE2046 students as follows.

Tuesdays	4.00-5.00
Wednesdays	11.00-12.00
